

## Aircraft cleaner GA

### Boeing D6-17487 certified

---

### Product description

Aero-Sense Aircraft Cleaner GA is a concentrated detergent for general exterior cleaning of the airplane, helicopter and other aircraft. The product removes easily oil, grease, exhaust gas and dirt.

The non-corrosive formulation is safe for use on metallic, plastic and (un)painted surfaces, de-icing boots, Plexiglass®, Lexan® and glass windshields.

Aero-Sense Aircraft Cleaner GA is Boeing D6-17487 certified and must be diluted before use.

---
